Date of Information: 30 July 1958

## SYRIA

Delayed information from a reliable source reports an airfield located at 3517 N 3804 E, approximately 15 miles southeast of ESRIYE. It has one runway, of compacted natural material, 8000 by 150 feet, oriented NW/SE. Aircraft observed: 7 Fresco disbursed on the NW side of the field. Also observed were one fuel truck, two trucks, one jeep-type vehicle and 16 tents. There were no buildings.
